

PI (Public Information) Committee

The PI Committee meets on the second Saturday of each month, at the So. Dennis Police Station, immediately following the regularly scheduled 9-10AM speaker meeting.

**Our next meeting is Sat. March 13, 2010.
(There will not be a PI meeting in February)**

We need committee members to help us achieve our goal of spreading the OA message on Cape Cod. We do this by planning projects that create OA awareness, i.e., youth obesity in public schools, public outreach through media, radio, public transit, public TV and promoting new meetings on Cape Cod. There are many ways that all of this comes together, but it requires time and ideas of caring volunteers who have received the gift of OA

Please join us and volunteer your time and great ideas at our next meeting so that we can start to generate a proposal to our Region 6 PI Committee for funds that will allow us carry the OA message.

I look forward to seeing many of you at our next meeting.

Deb K.-Chair (508-362-1190)
